HOUSING , MEALS, AND TRANSPORTATION

The Pelosi Medical Center is within a 15-minute drive from the Newark Liberty International Airport.

Housing and meals (weekday breakfasts and lunches) are complementary during rotations.

The housing facility includes free Internet access, cable television, full service kitchen, living room, two bathrooms, three bedrooms, and convenient parking. It is located within a 15-20 minute driving distance from New York City. Inexpensive and easily accessible public transportation to New York City is also available for you to enjoy all that the City has to offer - shopping, dining, tourist attractions and the theater.

Transportation from the housing facility to the Pelosi Medical Center (one mile distance) is complementary during the rotations and will be arranged on a daily basis.

CME CREDITS

One-on-One graduates will receive CME credit hours toward AMA Category 1 credits.

FELLOWSHIP RECOGNITION

One-on-One graduates will receive Fellowship recognition at the ISCG Annual Meeting.

Tuition is due in full three weeks in advance of commencement of training. Tuition is non-refundable.

One-on-One Mini-Fellowship

One-on-One Mini

THE ULTIMATE COSMETIC SURGERY TRAINING EXPERIENCE

The ISCG is pleased to offer full-immersion, personalized surgical training in cosmetic surgery. One-on-One is the most intense, effective, and efficient method of learning aesthetic surgery. Proven by years of experience in all fields of surgery, this type of education focuses the attention of the expert on the unique strengths and weaknesses of the trainee without distraction, and tailors the page of instruction with a level of precision not possible with other learning formats.

One-on-One takes the trainee in-vivo and onsite through the full cycle of the cosmetic treatment process from consultation, to surgery, to post-op management and allows for full face-to-face interaction and hands-on education in real-time. Completion of the One-on-One training program is the experience equivalent to mini-fellowship in cosmetic surgery.

FORMAT

Two one-week rotations in all cosmetic surgical cases & procedures at the Pelosi Medical Center, including the opportunity to observe consultations and postoperative management examinations. This may include liposuction, fat injections, body contouring, cosmetic vaginal procedures, abdominoplasty, breast augmentation, thigh lifts, etc. The two weeks do not need to be scheduled continuously, but they must be completed within a 12-month timeframe.

One-on-One training includes attendance at one two-day course in any of the following: (1) Comprehensive Liposuction & Fat Transfer, (2) Masters Advanced Liposuction, (3) Abdominoplasty, or (4) Cosmetic Breast Surgery. The trainee may attend the course either before, or up to 6 months after, completing the two-week rotation at the Pelosi Medical Center.

BENEFITS

ISCG FELLOW STATUS

One-on-One graduates will receive ISCG Fellow status - a distinction not possible through any other ISCG educational program.
